

King's High School

# SIXTH FORM BOARDING

Aspire. Achieve. Enjoy.

# HEAD MASTER'S INTRODUCTION

This will be a wonderful boarding experience at one of the top schools in the country. Unique, not only because of the boarding environment we are creating, but also because of the extraordinary experiences we offer at King's High. We very much look forward to welcoming your daughter into our Community of Changemakers.

# SIXTH FORM BOARDING

Boarding at King's will be for those in the Sixth Form, entering in Lower Sixth (Year 12) and progressing into Upper Sixth (Year 13); crucial years in preparing university and life beyond school.

Girls at King's achieve outstanding academic results, progressing to the highest-ranking universities. We know that our Boarders will continue this tradition, having access to outstanding academic and careers expertise.

# THE BOARDING EXPERIENCE

## Way House

Way House will provide comfortable, 'home from home', family-like accommodation for our boarders. It is being carefully styled to provide modern and homely accommodation in what is a beautiful heritage building, with high ceilings and large windows.

Bedrooms are spacious and will be double occupancy and include study and relaxation space. A generous sitting room and a boarders' kitchen complete the accommodation, along with bathrooms.

The house is deliberately family-sized and when full, will be 12-16 boarders.

For breakfast and dinner, the whole boarding community will come together to eat in Warwick School dining room. Lunch is served with the King's High community in the King's High dining hall.

## Best of Both Worlds

We know how important it is to prepare our pupils for university and beyond.

Our unique experience on this site provides what we call 'the best of both worlds' - academic single-sex teaching with co-educational co-curricular opportunities outside the classroom.

Our Boarding experience will mirror this exactly: a single-sex boarding house with opportunities to enjoy social activities with the boy boarders of Warwick School.

# BOARDING HOUSE PASTORAL CARE

## Care of your Daughter

We know that choosing a boarding school can feel a little daunting for both you and your daughter.

Whilst boarding for girls is the start of a new chapter for our school, boarding is well-established on the campus. Our Foundation boarding team and the academic and pastoral staff at King's High are highly trained in supporting each child. We offer a strong network around every pupil to enable your daughter to settle into their new term-time home quickly and with ease.

## House parent structure

Way House will be run by a dedicated, experienced team of staff under the expert guidance of our Foundation Head of Boarding, Mr David Bull. The team will consist of experienced House Parents, who are in overall charge of the house and who report to the Foundation Head of Boarding.

They will be supported by the third member of residential staff, the Assistant House Parent, who will work with the House Parents to ensure the health, safety and happiness of the pupils in their care. As is currently the case for our boy boarders, one of our House Parents will be on duty every day and available for your child on a 24-hour basis.

The residential team will also be supported by an experienced House Matron, who ensures the smooth day to day running of Way House, and a team of housekeepers who ensure the house remains clean and tidy.

Boarding tutors form the final part of the boarding team. Teaching staff will regularly visit and supervise the house in the evenings and at weekends, providing opportunities for the pupils to gain additional support with their studies if needed. Teaching staff also support the many trips and activities that will be enjoyed by our boarding community and the wider sixth form at King's High.

Importantly, as is currently the case, all boarding staff will be first aid trained.

The boarding team for girls included staff who have many years of experience of working with boarding pupils, ensuring boarders make the most of the opportunities available to them.

## Sponsorship

### Child Route Visas

Warwick Schools Foundation is a Sponsor for Child Route Visas registered with the UKVI. As a Child Route Visa Sponsor we can assign 'Confirmation of Acceptance for Studies (CAS)' to international students which enables them to apply for a Child Route Visa. Please speak to our admissions team when enquiring about a space at one of our schools.

King's High School has adopted the BSA (Boarding Schools' Association) Covid-safe Charter. View the documents on our website.

# HISTORIC WARWICK

## A BEAUTIFUL PART OF ENGLAND

Our beautiful 55-acre campus is nestled in historic Warwick, at the very heart of England. Tranquil St Nicholas Park is opposite, through which the River Avon runs towards Warwick Castle, originally built by William the Conqueror in 1068, and all the amenities of Warwick town centre are within a ten-minute stroll.

During their free time, girls can explore our extensive school facilities or venture further afield into Warwick. The Georgian town of Royal Leamington Spa, famous for its mineral springs (and shopping!), is just a short bus or bike ride away.

Warwick is located in the picturesque South Warwickshire countryside, once home to J.R.R. Tolkien and Shakespeare, and close to many other famous towns and cities including Stratford-upon-Avon, Oxford and Birmingham. And you can be in central London in less than 90 minutes by train.

Exeat weekends provide a great opportunity to explore the UK and girls are encouraged to take full advantage of all that Great Britain has to offer. A wide range of events and trips are organised as well. A coach transfer service is available to and from London Heathrow Airport for the main holidays.
