KING'S HIGH ASSOCIATION OF PARENTS AND STAFF

King's High Association of Parents and Staff

Affectionately known as 'KHAPS', our parent and teacher association provides a wide range of opportunities for parents to get actively involved in King's High life through both social and fundraising events. Its aim is to promote close co-operation between home and school for the advantage and welfare of our girls. All money raised goes directly back to the school in the form of donations for awards, equipment and support for the girls' charity projects.

Recent donations have included:

- £5,000 for musical instruments in 2018
- Personal Achievement Awards of up to £300 which encourage girls to pursue their out-of-school interests and realise their ambitions through a wide range of activities
- £500 for the Art Exhibition in 2018
- Sponsorship of the Space Scientist in Residence (2017-18)

- Sheltered dugout seating for spectators at the girls' hockey pitches
- King's High hats and hoodies for the girls going to the English Schools Swimming Association Finals
- King's High saddlecloths for the equestrian teams
- Two King's High portable marquees for use at sports events
