### Phasing in of new King's High uniform

Our new uniform was introduced in September 2022 and becomes standard for all students in September 2024. The transitional phase continues until July 2024. During this transitional period, current items of uniform will continue to be sold at our KHAPS nearly-new uniform sales to maximise the reuse of garments in line with our focus on the environment and sustainability.

During the transitional phase, students may:

- wear the full current uniform
- wear the full new uniform
- wear either blazer with either uniform.

Our summer dress option has not changed and can be purchased new from Stevensons or nearly new from KHAPS sales.

### School Uniform and Appearance Code (Years 7 – 11)

The Uniform and Appearance Code has been drawn up through extensive consultation with students, staff and parents. Their views have helped shape a clear whole-school approach to uniform and appearance which aims to be fair, inclusive, reasonable, and transparent. The justification for each aspect of the code was considered, paying due attention to wellbeing and inclusivity. Please refer to the code for guidance on purchasing appropriate items. .

Students should arrive at school daily, looking smart in their appearance and wearing full uniform, unless a formal exemption has been made e.g. for a school trip. All uniform, games kit and personal possessions must be clearly marked with the owner's name.
